TERM 'LI?' EXCEEDED TRUNCATION LIMITS - SEARCH ENDED

You have entered a truncated stem which occurs in too many terms.

Make the stem longer and try again. For example, if your original

term was 'degr?' to search for variations and the abbreviation for

'degradation', you could replace it with the expression '(degrdn OR

degrad?)'. If your search term was numeric, e.g., 'C>5', reduce the

size of the range.
